2016 Annual Report of the Pastor

The 2016 Annual Report is a terrific picture of the Triune God's grace and provision for our church throughout the last year of ministry together. I encourage you to read through the document and prayerfully consider how we might continue to grow in effective outreach and discipleship in 2017.

The month of May marked the passing of Bob Markham who faithfully served the church as pastor from 1973-2006. Bob's kind and gracious demeanor guided the church through a remarkable era. As a tribute to his legacy it was fitting that we were able to establish and subsequently present awards from the Bob and Roberta Markham Scholarhip. The fund will provide scholarships towards graduating high school students who have been active in the life of Rockport Baptist.

The May baptism of Katharine Boucher was a real highlight of the year. Katharine has been active in the life of the church for several years starting with the Middle School Youth Group and VBS. In

Rev. Robert Markham, III

In the coming years, the future of our church is contingent upon continuing to effectively win people to the gospel of Jesus Christ, and build them as faithful disciples. A major and very important role of the Annual Report is to provide the congregation with financial accountability regarding our material resources. To that end we have an excellent team that has contributed hundreds of volunteer hours

represented in the following reports. In addition to our financial accountability it is critical that we also consider a sort of spiritual accountability and observe the ways that we have been faithful in building disciples of Jesus Christ and effectively reaching our community with the gospel.

It was a joy to work with the Board of Deacons and Laurie Tuck throughout the year on making modifications to the Sunday Morning Service. Our unified objective is to continually consider the way that the worship serves to glorify God and also edify those participating in the service. A third task that we have is to consider how what we are doing effectively reaches our culture that has either a low opinion or low value for the historic mission of the church. The third year

of our nursery and the establishment of our Children's Church program are wonderful ways of encouraging the involvement of new and young families in the church. The growth of volunteer and staff participation in driving seniors to church is another way of bridging the church with the real needs in our community. The Choir and Worship Team's experiment with different types of music is a helpful way of engaging different cultures and ages in worship. It's a joy each Sunday to be able to lead the Congregation in the study of scripture and we spent most of the year going through 1 and 2 Corinthians. Tom Paisley, Peter Johnson, Dan Hoffstetter and Ken Swetland served as substitute preachers throughout this period.

In May we also sent-off Tom and Fiona Paisley. The Paisleys were active in the life of the church for four years during their studies at Gordon-Conwell Theological Seminary and Boston College. Fiona was a vital participant in teaching in God's Family, Youth Group and Vacation Bible School. Tom assisted with leading Wednesday Morning Bible Study, Adult Sunday School, Youth Group and occasionally preached. They are greatly missed as they have returned to ministry in the great State of Ohio. We have received grant funding to cover the costs associated with bringing on a new pastoral apprentice from Gordon-Conwell Theological Seminary and are actively pursuing candidates to fill this position in the year ahead.

The Wednesday Morning Bible Study continues to be the anchor of our Adult Christian Education Program. This group, which regularly includes 16-18 adults, engaged in studies of the books of Corinthians, Amos and Mark. We also began a new feature of Adult Christian Education Trips – with our first one taking place at Boston's Isabella Stewart Gardner Museum. Tom Paisley lead the Adult Sunday School on Sunday's throughout the Spring. Kay Bannon, Nancy Pallazolla, Janet O'Donnell, Jane Tutein, Peter Johnson, Roselyn Lewis and Fiona Paisley

lead the team that taught God' Family Sunday School. Morning Prayer, a critical piece of the life of the church, took place on most Friday mornings.

The Youth Group is another key component of both the church's outreach and education program. It's noteworthy that about 80% of the current youth group were involved in VBS in younger ages. Tchelsea Grenfell continued to provide excellent support as the Youth Group assistant, frequently connecting with kids and providing rides. In addition to our weekly meetings of Bible Study, prayer and games the youth group took a retreat to Grotonwood, went Ice Skating on the Frog Pond, went roller skating with sister

churches from Lynn, visited UMass and learned about the vibrant Christian presence and opportunity at State Schools and helped out with VBS. Finally the group hosted the epic night known as the "Youth Group Give Back Night" where we served a five-course meal to church adults.

Submerged VBS was once again a fun multi-generational week of outreach as we broke the previous year's record number for attendance and participation. This event continues to be a beautiful example of the church working together on mission with the combination of a vast array of talents and gifts with resulting execution of a great event. In the fall we launched a new initiative to have Children's Church during church. This group has met consistently under the leadership of Megan Wigton. They have been using material from the critically acclaimed Jesus Story Book

Bible. Our Nursery continues to meet a critical need and we appreciate Katie Favalaro who has lead this for three years with help from Sarah Johnson and Emmalyn Dyksinski.

All of the above are just a small snapshot of the myriad of ways that we have grown together and outward in 2016. Margaret Williams lead a great team of volunteers who partnered to serve with other area churches with Family Promise North Shore Boston. The church participated in monthly services for Den-Mar, visited house bound community members and those undergoing hospitalization. We supported and continued to engage with the missions of Kendra Short, the Bennett's of France and the important community service work of the Open Door. There are many

more unrecorded ways that we were able to by God's grace worship him and serve the community together in 2016.

Thank you for you participation in the life of our church. Please join me in praying how we might continue to expand our effectiveness and faithfulness in the coming year.

2017 marks the 500th Anniversary of the Protestant Reformation and in that light I conclude my report with the following quote from Martin Luther:

"I simply taught, preached, and wrote God's Word; otherwise I did nothing. And then while I slept, or drank Wittenberg beer with my friends...the Word so greatly weakened the papacy that never a prince or emperor did such damage to it. I did nothing. The Word did it all."

Soli Deo Gloria,

Matthew C. Wigton

Report from the Board of Deacons

The board focused on supporting our Pastor in choosing appropriate teaching topics and providing advice and prayer on the spiritual needs of our congregation.

We continually review and discuss all activities of the church and question the relevance and effectiveness of each. Our goal is to focus on few things and do them well. For example we did not do adult Sunday school this fall, instead focusing on children's church and Gods Family. Given our limited resources we will continue this practice in order to maximize those areas that are showing promise and to stop other areas that are not bearing fruit or are putting an undue burden on our pool of gifted people

who always give of their time.

One significant burden is filling our Pastoral

Apprentice position. We continue to pray that God will supply the right person to assist our ministry.

Finally we continue to pray that the music and teaching in our worship service is glorifying to God.

Respectfully,

David Pierson

Chairman Board of Deacons

Report from the Board of Stewards

The Board of Stewards at Rockport Baptist is charged with oversight of the material resources of the church including maintenance and repairs for the church building and parsonage, regular and

special cleaning of the church, safety of all church properties, and the financial transactions necessary to support all church activities. At year's end three members, plus the pastor, treasurer and collector served on this board.

The pastor, himself, does a significant amount of the cleaning and preparation for services and events at the church. Three other groups are charged with regular care: the Clean Teams who volunteer in pairs each week, periodic "work days" open to all congregants, and recently hired Starr Cleaning to do periodic thorough cleaning of the building.

Installation of a building-wide safety system including fire alarms and sprinklers was completed in the spring. This project was funded by a grant

from the Rockport CPC. Also in the spring one Steward painted the entire parking lot side of the building and did significant clean-up of storage spaces inside.

During the summer and fall attention turned to necessary maintenance and repairs at the parsonage. Projects accomplished during the year included:

- Replacement of the dishwasher
- Replacement of the main electrical panel
- Installation of a back-yard light
- Replacement of the front sidewalk and repair of the front and side entry stairs
- Installation of a wrought iron hand rail at the side steps
- Repair of the garage door

Some of this work was instigated by an inspection of the parsonage by licensed inspector Jim Tebo. The report identified numerous areas of maintenance and repair that are needed in the house

It is notable that recent replacement of the boilers in both the parsonage and the church building has greatly reduced the amount of oil needed for heat and hot water, allowing budgetary resources to support other programs. The office manager maintains a project list which the stewards use to rank order building needs as they are reported. Members are encouraged to contact her or a Steward regarding items that should be added. Along with the efforts of staff and lay leadership, the many hours of volunteer work by a faithful few congregation members makes it possible for Rockport Baptist's doors to

Report from the Music Committee

In early 2016 we were blessed to have Laurie Tuck accept the regular position of Music Director.

This followed Laurie's time as Interim Music Director since 2013.

Thanks to Laurie's leadership, the continuing dedication of our vocal choir, the youth Praise Band, various soloists and instrumentalists we were able to plan and provide special music at each service throughout the year.

Although the Hand Bell Choir continues to be on hiatus, we did hear occasional ringing especially in early July when we annually remember Gertrude Tarr Reed. It was on the occasion of Gert's 100th birthday many years ago that one of

the bell octaves was gifted to the church.

Special thanks to the many musicians who have played and sung during the past year. Especially, Jim Koerth and the Lighthouse brass, Katy Favaloro, Ben Tuck, Ruth Maasen and others. Several of the Sturgeon children (Christian, Kimi, Harry and Danielle) continue to be the backbone of the Youth Praise Band along with Pastor Matt and occasional appearances by David Avila and Mark Small. The group joins worship regularly and continues to be a blessing to all in attendance. There is also the uplifting music

which is sung VBS week and throughout the summer.

On behalf of the music committee and congregation I would also like to offer a special thank you to Katrina Tuck for faithfully executing and maintaining all things related to the sound system whenever she is home from college. Also thanks to the others she has trained.

Our entire music ministry at the First Baptist Church is dedicated to the glory of our Triune God.

We have been greatly blessed and all those that serve in the music ministry covet your continued prayers.

Karen Koerth, Music Committee Chairman

Report from the Music Director

As the year began, my initial goal was to sort through the music we had been purchasing over the years to determine what we actually had, what was still usable and what types of music we might be missing. That goal is about 80% accomplished. We have discarded many anthems and purchased some new ones while organizing and cataloguing what we have. The next step will be to update the data base already established and to add

some additional information regarding the lyrics and general theme of the anthems. This should help in my efforts to match the anthem with the sermon subject as often as possible.

The members of the Senior Choir have worked very hard this year and have presented some beautiful music. I truly appreciate their dedication, commitment and attendance at rehearsals. I also appreciate their willingness to adjust rehearsal times and days based on individual needs as they arise. We have a solid core at this point but always welcome new members in all voice parts. Auditions are not required.

A second goal of mine has been to help with our transition to having some modern music in the service. We have always been members of Christian Copyright Licensing International which allows us to legally copy hymns and display the words to songs on the wall. Over the summer we added to our membership, "Song Select". This enables us to use the music, chords and lyrics available on their site as we wish. A great feature of this program is that we can also choose what notes we want to use in singing the songs. We have been choosing keys that are in the same range as our hymns so that more people can sing them comfortably. We are also incorporating piano in to the praise band and had our first "Pizza and Praise" night in October. We truly appreciate all of the hard work Danielle, Christian, Harry, Kimi and their family have done in the Praise Band!

The focus this past Fall shifted to trying to provide a strong "worship" experience. In considering this and as I worked with Song Select, I searched for "worship" music and other "worship" info available on the CCLI website. I was shown information on a worship conference to be held at Grace Chapel in Lexington. Kris Carlson and I attended the conference on Oct. 22nd. It was truly an amazing day. There were group sessions and workshops all devoted to helping us lead others and to participate ourselves, in worship. The workshop topics ranged from "Finding the 'WOW' Moment" to "How Best can Keyboards, Guitars & Drums Fit in a Small Church?" We each chose different workshops so we could gather as much

information as we could. There were also panel discussions by leaders from some of the faster growing N. E. churches and we could ask whatever questions we wanted. This October will be the 6^{th} year of the conference and we are hoping more people will be able to attend.

The Bells are a valuable tool and I hope to be able to do more with them this year. We have used them a few times with the congregation playing the bells to accompany hymns. Each time sounds better that the time before and people seem to enjoy playing them. I am hoping this will help more participate when we are able to offer a more formal bell experience.

In closing, I would like to say Thank you for all of your support. I also invite you to let me know if you have a favorite hymn, praise song, carol or any other type of music you would like us to include in the service. Music is a key part of worship and we will continue to do our best.

Laurie Tuck

Report from the God's Family Class

God's Family Class, a Sunday school class for developmentally or physically disabled individuals, has had a productive year full of learning and fellowship. The class began in September under the leadership of Kay Bannon with a study of the famous Old Testament stories of the Bible such as creation, Abraham, Moses, and the journey to the Promised Land.

The theme this year is: "I was glad when they said unto me, 'Let us go unto the House of the Lord". With this theme in mind, we pray together for our class members, the congregation of this church, and for the needs of others in the wider community. In winter and spring classes, we reviewed events in the life of Jesus, and we attempted to learn from these stories and parables the ways we can become more Christ-like in our own lives.

In May of 2016, we said "good-bye, thank you, and God bless you" to our dear friend Fiona, a member of our class for several years. We will miss her wonderful teaching ability and her positive, caring personality. For all those others providing leadership and support to God's Family, we are very grateful, especially Kay Bannon, our founder, Janet O'Donnell, Roselyn Lewis, Peter and Deborah Johnson, and Jane Tutein. All of these people have provided

invaluable help and support, and their presence is much appreciated. As we begin our twenty-ninth year, thanks be to God and to all God's Family members, students together, for their devotion and love that make such a difference for all of us with some form of developmental disability.

Report from the Head Usher/Greeter

The responsibility of an usher/greeter is to be the church's "ambassador" as worshipers come through our front doors. We want all who come to feel welcome and at ease. Each usher/greeter wears an "USHER" button or a "name tag". They remain near the back of the church until approximately 10:50 to aid any latecomers and to identify if there is a need for nursery directions or someone is in need of help. The usher/greeters also light the candles in the front of the church, take weekly attendance, when Margaret Williams isn't in church, and collect the offering. We also encourage ushers to stand outside to assist church goers up the stairs or opening the front door which can be difficult to open.

Rockport Baptist Church has 10 Regular volunteer usher/greeters:

Millicent Bruce & Nancy Pallazola – 1st week

Margaret Williams & Kris Carlson - 2nd week

David Pierson & Terry Schwenk - 3rd week

Maureen & Mark Small 4th week

Diane & Doug Lynn - 5th week

The usher/greeters are encouraged to engage visitors at the front door and if they are visiting for the first time, give them a "Visitors Bag" which may include any of the following (depending materials available - as they change periodically):

- Church information sheet; and one on Membership
- Rockport Baptist mug
- A copy of More Than A Carpenter by Josh McDowell
- A bookmark or a ribbon cross
- Pastor Matt's business card

Also available in the Narthex are children's packets they can use while attending the service. The packet contains a pen, pencil, a drawing pad, crayons and a coloring book.

The usher/greeters also served during special occasions such as funerals, North Shore Christian Men's Choir, or other special occasions.

We are always looking for additional usher/greeters. If you feel the Lord's leading to serve Him in this way please let Pastor Wigton or me know.

In His Service,

Kris Carlson, Head Usher

Report from the Hospitality Committee

The role of Chairperson to the Hospitality Committee is to serve as the point person for the church during events. The chair oversees the refreshments and helping to organize volunteers for special occasions as well as helping with the weekly Fellowship Hour.

Megan Wigton and Diane Lynn served as the Hospitality Committee during 2016. Their leadership and the time of many volunteers were integral in helping the church host memorial services for Reverend Robert Markham III, Ron Stanton, and Louise Aines. Other special events during the year included celebrating Reformation Sunday, potluck dinners and Vacation Bible School.

Report from the Office Manager

In the roll of Office Manager I have helped the Pastor and Stewards look after the maintenance of the church and parsonage. I attend meetings and keep a running log of projects that may need attention in the future. This year I arranged to have small electrical jobs at the church completed, carpets steamed cleaned and new carpets installed where needed.

I have enjoyed helping to coordinate VBS activities. The energy of the volunteers and participants is wonderful to experience. Working to support the volunteers and meet the children and parents was an exciting part of the summer.

Helping to create our second 'Blue Ribbon' Scarecrow

Sending out the *Weekly Email* keeps me informed of all the goings-on. Creating flyers, logos and other promotional material for the church continues to be one of my favorite activities. I enjoy keeping people informed and hopefully helping to motivate people to get involved. Organizing an Adult Education trip to the Isabella Stewart Gardner Museum was another highlight of 2016.

Report from the Collector

Our church has been blessed this year with an increased level of giving, and with fruits from the staff's success in obtaining grants. In addition, we needed to spend only 95% of our budget. 2016 saw First Baptist at a five year low in reliance on funds from the endowment. (See 10-year look-back.)

Part of the overall increase was from two special collections; the Markham Scholarship gifts totaled over \$6000, and support for living expenses for a family in the congregation totaled over \$3000. Additionally we received \$15,000 in grants, largely to support youth programs, VBS, and community outreach. These funds, as well as gifts for flowers at Christmas and Easter, are noted as "Designated" collection. Still, regular giving for the support of the church increased.

The budget for 2017 was developed by the pastor, officers and joint boards (deacons, stewards, and music committee). The budget team seeks an increase of 6% in planned spending to support professional and lay leadership, to continue necessary maintenance work on the church building

and parsonage, and to enhance outreach in the local community. Mission giving will decrease because missionary Kendra Short will return from the field in mid-year. Several other wage and operational line items will also decrease in line with actual expenditures.

As always the Collector thanks the counters who tally each Sunday's collection immediately following the service, the officers and board members who collaborate on decision-making for the wisest use of the church's resources, and most of all the givers who generously support the work of our church.

Respectfully submitted,

Gail M. Zeman, Collector
